

## Guide for Introduction to Year 1 Meeting 2022-23

Slide 1	<p>Welcome to you all and thank you for coming into school today to find out about Year 1 . We hope this will be a helpful and informative session. The PPT and script will be on the website for anybody who is unable to attend today.</p>															
Slide 2	<p><b>Vision and Values</b></p> <p><b>Vision</b> Everyone Learning Together - Branfil is a vibrant learning community where we nurture lifelong learners who embody our school values and make a positive contribution to the world. Adults and children feel valued and love learning together. Everyone thrives and achieves personal success through being happy, safe and confident learners, who ask questions, take appropriate risks, learn from their mistakes and seek help when needed.</p> <p><b>Purpose</b> To encourage, challenge and support every child to develop a broad range of skills, knowledge, talents, interests and values to enable them to move on to secondary school with the confidence and motivation to aim high and achieve personal success.</p> <p><b>Values</b></p> <table style="width: 100%; border: none;"> <tr> <td style="width: 10%;">L</td> <td style="width: 25%;">Love</td> <td>Love yourself, love life and love learning</td> </tr> <tr> <td>E</td> <td>Explore</td> <td>Be curious, ask questions, learn from your mistakes</td> </tr> <tr> <td>A</td> <td>Aspire</td> <td>Aim high – keep learning and developing</td> </tr> <tr> <td>R</td> <td>Respect</td> <td>Respect yourself, each other, and the environment</td> </tr> <tr> <td>N</td> <td>Nurture</td> <td>Look after your mental, spiritual and physical health</td> </tr> </table>	L	Love	Love yourself, love life and love learning	E	Explore	Be curious, ask questions, learn from your mistakes	A	Aspire	Aim high – keep learning and developing	R	Respect	Respect yourself, each other, and the environment	N	Nurture	Look after your mental, spiritual and physical health
L	Love	Love yourself, love life and love learning														
E	Explore	Be curious, ask questions, learn from your mistakes														
A	Aspire	Aim high – keep learning and developing														
R	Respect	Respect yourself, each other, and the environment														
N	Nurture	Look after your mental, spiritual and physical health

	Reception & Year 1	Years 2 & 3	Years 4-6													
Start of school	8.50am	8.50am	8.50am													
End of school	3.05pm	3.10pm	3.15pm													

## Lunchtimes

Overview of Timings			
Year group	Hall	Lunch time (Class <u>adult</u> to bring class to the hall)	End of lunch time
Reception	Lower (Eating 11:45- 12:10pm)	11.45am	12.45pm
Years 1	Main (Eating 11:45- 12:05pm)	11.45am	12.45pm
Year 2	Main (Eating 11:55- 12:15pm)	11.55 am	12.55 pm
Year 3	Lower (Eating 12:15- 12:35pm)	12.15pm	1:15pm
Year 4	Main (Eating 12:20- 12:40pm)	12.20pm	1.20pm
Years 5	Main (Eating 12:30- 12:50pm)	12.30pm	1.30pm
Year 6	Lower (Eating 12:45- 1:05pm)	12.30pm * Year 6 - <u>playground</u> first then Lunchtime Assistants bring them to the hall at 12:45pm.	1.30pm

Slide 4

### Uniform

See Uniform Policy

Main reminders

- Black trainers can be worn but they must have black soles and no logos.
- No extreme hairstyles - patterns shaved into the hair or unnatural coloured

	<p>hair dye.</p> <ul style="list-style-type: none"> <li>● Hair Accessories must be blue or white and hair bows no larger than 10 cm.</li> <li>● Discreet stud earrings and a wristwatch (simple analogue or digital – no smartwatches allowed) are the only items of jewellery that can be worn. Children may wear a kara or rakhi; these must be covered with a sweatband during PE lessons. Children cannot wear earrings or a watch for PE lessons and earrings cannot be taped so, if pupils are not able to remove their earrings, they will be found alternative involvement, such as a PE theory sheet.</li> <li>● False nails and nail varnish should not be worn.</li> <li>● Water bottle must be plastic, not metal.</li> </ul>
<p>Slide 5</p>	<p><b>Water and Snacks</b></p> <p>The water bottles must only be filled with water.</p> <p>Children are allowed to eat a snack on the playground but this can only be fresh/dried fruit or vegetables. We will challenge children who are eating unhealthy snacks and inform their class teacher.</p>
<p>Slide 6</p>	<p><b>Behaviour - see Behaviour Policy</b></p> <p>School rules and discipline are concerned with matters of safety, consideration for others and care for the environment.</p> <p>Our aims are to:</p> <ul style="list-style-type: none"> <li>● encourage good manners and courtesy to all;</li> <li>● create orderly working conditions within the classrooms and school so that high quality teaching and learning can take place;</li> <li>● promote the growth of self-discipline.</li> </ul> <p>Our Golden rule is: At Branfil we respect ourselves, each other and our environment.</p> <p>The school operates a policy of using a positive approach to managing pupils' behaviour. In general, good behaviour is highlighted and praised through the school 'It's Good to be Green' behaviour system and all children are encouraged to take a responsible attitude towards the way they behave in school. We award weekly Pupil of the Week certificates/stickers for each class and termly Lead Learner badges/certificates.</p> <p>'It's Good to be Green' – a brief guide for parents and carers</p> <p>Please note: this guide is a supplement to the behaviour policy. 'It's Good to be Green' (IGTBG) is part of that policy but not the whole of it.</p>

## The Cards

This line illustrates the progression of the rewards and consequences. Each day every child starts with the 'It's Good to be Green' card since we believe that every day should be a fresh start.

### Rewards

In simple terms, a reward involves moving one place to the right on the line above (adding/changing the card in the appropriate pocket) and being rewarded as follows:

- Well Done – the child has done something quite special, better than that which earns one house point. Two house points are awarded by the teacher.
- My Teacher Thinks I'm Magic – during the same day, the child does something else of particular merit which deserves special recognition. Five house points are awarded by the teacher and the child is sent to the Year Leader at the end of a session to be awarded a MTTIM certificate or sticker; probably no more than one a day awarded across the whole class.
- If a child is on the red, orange or yellow cards, his/her reward is to move one place to the right, e.g. from yellow to green. This way he/she can aim to end the day on the green card.

### Consequences

Conversely, a consequence involves moving one place to the left on the line above as follows:

- Verbal warning – when a child chooses not to follow the rules, he/she should receive a verbal warning. This has no immediate impact on the IGTVB chart. The "Stop and Think" card can be used here.
- Yellow Card – during the same day the child breaks the rules again. He/she is moved one place 'to the left'. If this puts him/her on yellow, he/she is requested to move to the reflection table within the classroom and reflect on his/her behaviour whilst continuing with the work.
- Orange Card - the pupil chooses to misbehave again. He/she is moved one place 'to the left'. If this puts him/her on orange, he/she is instructed to leave for a short time-out (up to 10 minutes) in the Year Leader's classroom. He/she will be expected to continue with his/her work and then return to the classroom. The class teacher informs the child's parents/carers.
- Red Card - the pupil chooses to misbehave again. He/she is moved one place 'to the left'. If this puts him/her on red, he/she is instructed to leave

	<p>for a time-out (up to 30 minutes) in the Year Leader’s classroom. He/she will be expected to complete his/her work and then return to the classroom. The Year Leader informs the child’s parents/carers.</p> <ul style="list-style-type: none"> <li>• If a child has already moved ‘to the right’, the consequence will take him/her closer to the consequence cards.</li> <li>• A child can of course move straight to red for a very serious infringement of the class/school rules.</li> </ul> <p>Teachers make it part of the home-time routine to refer to the IGTBG chart and praise all of the children who are on green or higher for their good behaviour – it’s good to be green, not just ok!</p>
Slide 7	<p><b>Timetable -</b></p> <p>PE Days, Library Days, PPA Day</p> <p>Wednesday PPA</p> <ul style="list-style-type: none"> <li>• <u>PE days</u></li> <li>•</li> <li>• 1 Willow - Tuesday (outdoor) and Thursday (indoor)</li> <li>•</li> <li>• 1 Lime - Tuesday (indoor) and Thursday(outdoor)</li> <li>•</li> <li>• 1 Pine - Monday (outdoor) and Tuesday(indoor)</li> <li>•</li> <li>• <u>Library day</u></li> <li>•</li> <li>• 1 Willow - Monday</li> <li>•</li> <li>• 1 pine/1 Lime - Thursday</li> </ul>
Slide 8	<p><b>Main Topics and Trips</b></p> <p>We aim to do 1 trip or invite a visitor once per term. For trips, we would need parent volunteers in order for trips to go ahead - you will need a DSB with the school. You can apply whenever you can via the school office.</p> <p>History - Toys, Queens and First man on the Moon.</p> <p>Geography - Weather, United Kingdom and the Local Area.</p> <p>Science - Materials, Animals including humans and plants</p>
Slide 9	<p><b>Phonics</b></p> <p>Phonics and Spelling: We follow the Read, Write Inc phonics scheme from</p>

	<p>the start of Reception. In the first half term of the autumn term, children in Reception and Y1 will bring home a list of high frequency words and tricky words to learn. From the second half of the autumn term, the children take home a Read, Write Inc (RWI) book each day, as well as their Oxford Reading Tree book. The RWI book includes spellings to practice alongside their reading practice. Year 1 will bring home a ORT book and RWI within the coming weeks.</p> <p>Phonics Groups are streamed between Reception and Yr 2. If your child is put in a group with a reception teacher, this does not mean they are at a reception level.</p> <p>In Y1, children also need to practise reading and spelling the Year 1 Common Exception Words provided by your child's class teacher.</p>
Slide 10	<p><b>Reading</b></p> <p>Reading records - daily reading at home.</p> <p>Reading: We follow the Oxford Reading Tree scheme from Reception. Children progress through the colour bands until they become a confident and fluent reader. They then move on to a colour banded scheme: bronze, silver and gold. These books form our school library and encourage the children to become more independent. Children in Years 3-6 are encouraged to complete one of our Reading Routes; both routes encourage children to read varied texts by a wide range of authors, share these with their classmates and gain rewards as they go. See website for details of Reading Routes and once completed the children become Reading Ambassadors.</p> <p>We expect children to read at least 5 times a week as we know that reading is key to a child's success. Younger children should read for a minimum of 10 minutes, with this time increasing as the children get older. As well as reading their school book, we encourage them to read anything; comics, newspapers, non-fiction, fiction and poetry are all important. We want them to love reading so it must be made an enjoyable experience.</p> <p>All reading should be recorded in the reading record alongside the parent/carer signature and any related comments. Children who read at least 5 times in a week are recorded on the Star Reader chart in their classroom and those who do this consistently, every week, are rewarded at the end of the term.</p> <p>Oxford Reading Buddy will be introduced for reception to year 2. More information</p>

	<p>to follow soon.          We have a new school library.          All log in details needed will be stuck on the reading record.</p>
<p>Slide 12</p>	<p><b>Home learning and Homework</b></p> <p>The school encourages children and parents/carers to participate in home learning. Homework activities are closely linked to the programmes of study and provide opportunities to develop, practise or extend the learning received in school. We ask parents and carers to support the school by allocating time on a regular weekly basis for these learning opportunities.</p> <p>Our policy for home learning at Branfil is to provide you with a menu of options so you can choose how best to support your child at home. This enables parents/carers to make their own decision about how much time they want to invest in home learning and the approach that best suits their child.</p> <p>We will be encouraging children to complete some home learning each week and rewarding those who do so regularly. There will not be consequences for those children who do not do this since we acknowledge that it is not always possible to do so within the demands of family life.</p> <p>We also believe that home learning should be fun and not be an area that causes conflict at home. If your child is struggling to complete their home learning then please stop and let us know - we do not want you to feel that you have to battle on!</p> <p>If you feel that your child needs additional challenge in their home learning then please speak to your child's class teacher and they will provide you with some ideas of how to deepen your child's understanding.</p> <ul style="list-style-type: none"> <li>● Reading 5 times per week</li> <li>● Phonics</li> <li>● Maths - Choices (see website but not Rapid Recall) and times tables</li> <li>● Termly Year group letter with science and foundation activities</li> </ul>
<p>Slide 13</p>	<p><b>Forest School</b></p> <p>Sessions for Reception, Year 1 and Year 2.          Suitable clothing for Forest School sessions.</p> <p>1 Lime will be in the first half of the Autumn Term.</p>

Slide 14	<p><b>OPAL (Outdoor Play and Learning)</b></p> <p>This was launched last year and we are working towards an amazing hour of high quality play everyday.</p> <p>So far, we have introduced crates and tyres for the children to build and explore with, the children roll down the hill, dressing up, musical instruments, a stage with music for drama and dancing, reading area, art area, and scooters - with more planned for this year. Children learn to take sensible risks and weigh up the benefits and risks for themselves under the supervision of adults.</p> <p>They need to be dressed appropriately for outdoor play with rain proof jackets and footwear as per the uniform policy.</p>
Slide 15	<p><b>Statutory Assessments</b></p> <p>Year 1 - Phonics June 2023  Year 2 - KS 1 SATS May 2023  Year 4 - MTC June 2023  Year 6 - KS2 SATS May 2023</p>
Slide 16	<p><b>Formal School Assessments</b></p> <p>Practise SATS papers  End of unit assessments  NFER summative assessment papers twice a year to inform teacher assessments</p>
Slide 17	<p><b>Communication</b></p> <p>The newsletter is sent out fortnightly and it is really important that this is read. It isn't just a celebration of school life; it provides vital information about dates, school events, updates etc. They are helpful hints about online safety for example. We will also add information to the Google Classroom.</p> <p>Emails for letters and and schoolcomms for short/urgent notices.</p> <p>Each class has an email for the purpose of sharing information only with the class teacher.</p> <p>The emails will not be looked at outside of school hours and email is not for a complaint to the teacher. Emails of this nature are upsetting for staff to open and read - they can affect well-being. If you do have a complaint you need to contact the teacher via the school office to ask for an appointment</p>

	to speak face to face with the teacher.
Slide 18	<p><b>School Website and Twitter</b></p> <p>A huge amount of information is available on the website, including: policies, homework guides, newsletters, curriculum information and learning for the week ahead.</p> <p>Please follow us on Twitter if you don't already, to have a glimpse into life at school!</p>
Slide 19	<p><b>Working Together</b></p> <ul style="list-style-type: none"> <li>● Further to the successes of parental events in school after the easing of the covid restrictions we plan to share with you a full programme of events including assemblies, parent events, book looks etc for the coming year.</li> <li>● We plan to bring back parental workshops this year in areas like reading, maths and internet safety.</li> <li>● The All About Your Child meetings will take place (virtually) on 12th October and 17th October and again in February.</li> </ul>
Slide 20	<p><b>Friends of Branfil</b></p> <p>Covid prevented the parents association from raising as much money for the school over the past three years. Last year they worked really hard to get the community events back up and running again - there was a quiz night, Children's Christmas Fair, Father and Mother Day sales, Movie Nights to name a few...</p> <p>This year there is a new chair and vice chair who have many great events planned.</p> <p>Please continue to support them and if you can spare the time to join the Friends of Branfil your help will be warmly welcomed.</p> <p>The money raised goes towards much needed equipment for the children like extra chrome books.</p>
