

Hi everyone! What a term this has been! I absolutely LOVED coming in and meeting you all for World Book Day, it was such a treat to see you all in person and to see your amazing bookish creations! I also felt very honoured to join the reading ambassadors meeting and the afternoon writers room session with the year 5/6 children was one of my most enjoyable creative writing sessions EVER. You all had such imaginative and creative ideas and I felt massively humbled to be patron of reading at such a welcoming and talented school. Thank you so much for having me and I'm already looking forward to seeing you all again! Hopefully it won't be long! As always, I'm adding some book recommendations and activities here - I hope you enjoy them!
