

7th March, 2023

Dear parents/carers

On 13th March, both Year 5 and 6 will be attending a drama and music workshop led by Lesley Smith. The sessions are called 'Making Choices' and are tailored to meet the needs of the children.

Year 6 will attend the session from 9am until 12:30pm and the focus will be about making the transition to secondary school. We have asked Lesley to work on preparation for this phase in their life and she will talk about being independent, making the right choices and will touch on some of the dilemmas that the children may face. In addition, we believe that it is important to prepare the children for life beyond primary school and for this reason she will lead discussions around keeping safe.

Year 5 will attend the session from 1:30 until 3pm and this workshop is in preparation for when the children work with Lesley in Year 6. She will introduce the concept of making the right choices when faced with decisions to make.

We hope that your child will find these sessions useful and engaging.

Yours sincerely

Mrs N Gunthorpe
Deputy Headteacher
