

Here are some suggestions of activities you could do at home to support the learning in class.

## **Geography: Contrasting locality: Mugumareno Village, Zambia**

### **Activities**

- Create a model of a Mugumareno Village home
- Create a fact file about Mugumareno Village
- Write about whether you would rather live in Zambia or England

### **Helpful websites**

## **History: Upminster Windmill - Local History Study**

### **Activities**

- Explore your local area and create a map of it
- Research the different types of windmills and explore their similarities and differences
- Use our local library to find any past images of Upminster/Hornchurch

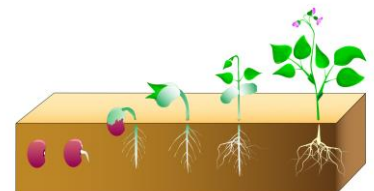

### **Helpful websites**

<https://www.upminsterwindmill.org/>

## **Science: Plants.**

### **Activities**

- Choose a plant to grow at home, keep a written or photographic diary of how your plant progresses as it grows
- Find out about different plants you can eat and do a tasting to see if you like them
- Investigate what happens when plants try to grow in the dark
